TURBOCHARGER OLD PART RETURN

RETURN POLICY

Dear Business Partner,

When you return an identical old part, you will receive your old parts deposit back, which you paid when you purchased the new part. To allow us to process the credit note quickly, please make sure you observe the following specifications for the return of old parts:

PROCEDURE FOR OLD PART RETURN FORM "RETURN (TURBOCHARGER OLD PART)" WITH THE FOLLOWING INFORMATION:

- Quantity
 - Article no.
 - Invoice no.
 - Reference date
-
- When returning an identical old part, the old part must not be dismantled
 - If possible, return it in the original packaging or packaged securely for transport
 - The return shipment shall be at the expense, risk and liability of the customer.
MS Motorservice International is not liable for any loss or damage in transit.

The aim of these measures is to significantly improve our level of service with regard to processing and issuing credit notes for old part returns.

Thank you for your understanding and ongoing support.

If you have any questions, please get in touch with your contact partner from the Motorservice sales team.
