

New additions to the range Workshop pack of oil filters

With immediate effect, popular KS oil filters can be ordered in 10-filter packs. The table shows the oil filters available in these workshop packs.

To order a workshop pack, just add /10 on the end of the usual item number.

Oil filter types available so far		
one-off	10-pack	
50 013 004	50 013 004 /10	MERCEDES-BENZ
