

New in KSPG Production range

Audi A8	KSPG scope of supply
	<ul style="list-style-type: none"> • Pistons • Conrod bearing shells • Crankcase • Vacuum pump • Water circulating pump • Secondary air pump • Secondary air valves • Solenoid valves • EGR cooler module with integrated electromagnetic EGR valve • Electronic reversing valve
BMW 5 Series	KSPG scope of supply
	<ul style="list-style-type: none"> • Pistons • Conrod bearing shells • Crankshaft bearing shells • Collar bearing shells • Electrical coolant pump • Electrical water circulating pump • Electrical throttle valve • Electro-pneumatic transformer • Electric switchover valves • Recirculating air valves
VW Sharan	KSPG scope of supply
	<ul style="list-style-type: none"> • Pistons • Crankshaft bearing • Conrod bushes • Thrust washers • Electrical reversing valve • Recirculating air valve • Water circulating pump

Kolbenschmidt Pierburg.
Renowned supplier to the international automotive industry.

As long-standing partners to the automotive industry, the companies in the Kolbenschmidt Pierburg Group develop innovative components and system solutions with acknowledged competence in air supply and emission control, for oil and water pumps, for pistons, engine blocks and engine bearings. The products comply with the high demands and quality standards of the automotive industry. Low emissions, reduced fuel consumption, reliability, quality and safety – these are the forces that drive innovation at Kolbenschmidt Pierburg.

Motor Service Group.
Quality and Service from a single source.

The Motor Service Group is the sales organisation for the worldwide aftermarket activities of Kolbenschmidt Pierburg. It is one of the leading suppliers of engine components for the independent aftermarket including the premium brands KOLBENSCHMIDT, PIERBURG and TRW Engine Components. Our comprehensive product range allows our customers to procure engine components from a single source. As a problem solver for dealers and garages, Motor Service offers extensive services and the technical expertise that you would expect from the subsidiary of one of the largest automotive suppliers.
