

OnlineShop

der MS Motorservice Deutschland GmbH

Dear Customer,

We are delighted to present our Motorservice OnlineShop.

By using your individual access data to our OnlineShop you will have unrestricted access to:

- Up-to-the-minute product data
- Information on availability

Apply directly and conveniently for **access via Motorservice OnlineShop:**
shop.ms-motorservice.de

On the start page, click on "New registration", as shown in the example below.
After that, simply enter your desired **user name**. For security reasons, you will also be requested to enter your company address.

Once you have sent your online application, we will immediately send you your password via e-mail. You can then enter your access data in the "customer login authorisation" section on the start page and will subsequently have unrestricted access to the Motorservice Online-Shop.

Our hotline staff will be happy to deal with any further questions or suggestions you may have.

OnlineShop address
shop.ms-motorservice.de

Target group

- Engine reconditioners
- Wholesalers

Your advantage

- The latest product data
- Information on availability
- 24-hour information

Log-in
Please file your application via the Motorservice OnlineShop start page. You will then immediately receive your access data with password by e-mail.
